Since the beginning of time, ambitious change-agents have plotted together to fuel revolutions and transform their world. Minor or major conspiracies have usually played an important part in fueling radical social change. Dismissing such secret plots as mere "conspiracy *theories*" has served powerful leaders well -- at least for a while.

But those who know God see a larger picture. While human nature doesn't change, our God still reigns! That's why the author of Psalm 2 wondered why power-hungry rulers would even try to plot against God and His sovereign ways:

> *"Why do the nations rage, and the people **plot** [**conspire**] a vain thing? ... **the rulers take counsel together**... saying, 'Let us break Their bonds in pieces...'" Psalm 2:1-3*

Like many leaders today, Hitler knew how to **use every crisis** as an opportunity to grab more power. So did his anti-Semitic Muslim partners during Word War 2: Mohammad Haj Amin **al-Husseini** (the Grand Mufti of Jerusalem) and the rising **Muslim Brotherhood**. Both aimed to eradicate Israel and radicalize the Middle East and North Africa. Their followers have come a long way!

Today, their grand target is America. As we are told in a Muslim Brotherhood document titled, 'An Explanatory Memorandum on the General Strategic Goal for the Group in North America,'

> "The ***Ikhwan*** [**Muslim Brotherhood**] must understand that their work in America is a kind of grand Jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions."' (Soros-funded "expert" defends Muslim Brotherhood)

For those who trust God, this should be a time of prayer and preparation for the challenging times ahead. As the West becomes increasingly hostile toward Christianity, it's fast forgetting the truths and moral standards that laid the foundation for Western freedom and order. Yet, we need not fear, for--

> *"The Lord... will be a refuge for the oppressed, a refuge in times of trouble. And those who know Your name will put their trust in You." Psalm 9:9-10*

1920. Mohammad Haj Amin al-Husseini, soon to be Grand Mufti of Jerusalem**,** prompted the **first large-scale pogrom against Jewish settlers** in Palestine. Thousands of innocent Jewish settlers (along with their moderate Muslim neighbors) were slaughtered.

1920s. Meanwhile, the **Muslim Brotherhood** was founded during the 1920s [some point to 1928] by Hassan Al Banna, a young Egyptian schoolteacher who admired Hitler and was captivated by his message. According to John Loftus, a former prosecutor with the US Justice Department, Al-Banna was so persistent in his "admiration of the new Nazi Party that in the 1930s Al Banna and the **Muslim Brotherhood became a secret arm of Nazi Intelligence**."

Arab translation of Hitler's *Mein Kampf*

Today, we know that the Muslim Brotherhood has been spreading its ideology through Europe and America as well as the Arab world. It's ultimate goal is global Islamic theocracy. In the article, "Muslim Brotherhood; not quite the YMCA," Bill Randles gives us a glimpse of its violent history, ideology and influence:

> "After several assassination attempts by the Muslim brotherhood, [Egyptian President] **Nasser** severely repressed the movement in Egypt, killing several of its leaders and imprisoning and torturing hundreds of others. Nasser was succeeded by Anwar **Sadat** as president of Egypt, but after signing a peace treaty with Israel, Sadat was assassinated by troops he was reviewing, who were, you guessed it, Muslim Brothers.
>
> "Sadat's vice president in Egypt, Hosni **Mubarak** knew who he was dealing with in the Muslim brotherhood, and continued the Egyptian policy of repression. One of the Muslim Brothers that had been imprisoned was Ayman Al **Zawahiri**, the Egyptian pediatrician who became Osama bin Laden's right hand man.
>
> "Another of the Egyptian Muslim Brothers imprisoned was Sayyid Qutb, who has provided the intellectual basis for the current violent world Jihad. His books have **inspired Osama Bin Laden, Zawahiri**, and countless other Jihadi's the world over, to seek the overthrow of secular Muslim governments and the destruction of America, Israel and the civilized world in the name of Allah....
>
> "Did I mention 'The Brotherhood' is in 70 nations, and there is even a well established US branch? They usually wear ties and are professional apologists for Islam, and through an army of attorneys wage 'lawfare' against western nations. They are the **inspiration for Hamas, Al Qaida**, and **CAIR**, (the Council on American and Islamic relations)."

1921. Though himself a Jew, Sir Herbert Samuel, the British high commissioner of the Palestine Mandate, made an unthinkable choice: he appointed the **al-Husseini as grand mufti of Jerusalem** -- in spite of vigorous protest from most Palestinian Arabs as well as from Jewish settlers. Given such power, the militant al-Husseini would have the authority needed to fuel ongoing hatred and violence against all Jews and the many moderate Arabs who opposed him throughout the Muslim world. Sir Samuel's cruel and absurd appointment illustrates our human nature. Faced with anti-Semitism, many ambitious traitors have gained power by denying their Jewish background and joining the prevailing hostility against their own people.

1931 (December). **Al-Husseini** organized the All-Islamic Conference in Jerusalem. Honored as their president, he became the acknowledged leader of the Arab world.[p.44]

1932-1932. A time of "unprecedented Jewish Immigration" from Europe, prompted by the rise of Hitler, his spreading hatred, and the rising threat of persecution. Meanwhile, **Al-Husseini**'s Palestine Arab Party planned to expel all Jewish settlers to fulfill his vision of a pan-Arab *ummah*.[p.45]

1933 (January 30). Hitler's election as chancellor of Germany accelerated al-Husseini's influence and efforts to establish "distinctly Nazi-Arab-style organizations." **Al-Husseini** help create the Young Egypt Green Shirts who copied the Nazi Party and started their own version of Hitler's *sig heil* salute. Like Hitler's stormtroopers, they would carry out terror campaigns against Jews and more accommodating Arabs.[47-48] Among its rising young leaders would be Egypt's future president Gamel Abdel **Nasser.** They embraced Nazi slogans and inspired other pro-Nazi parties in the Arab world. Hitler's first congratulatory telegrams came from Arab capitals.[p.45,47]

1935. Al-Husseini "received millions of dollars from the Italian Fascist Foreign minister Count Caleazzo Ciano for the purpose of poisoning the water wells of Tel Aviv."[p.57]

1936. Al-Husseini met in Palestine with Francois Genoud, the Swiss banker of the Third Reich -- the start of a long and "fruitful" personal relationship that lasted until al-Husseini's death in 1974. From his base in

Berlin, Genoud would fund all kinds of anti-Jewish propaganda campaigns in the Arab world during the years ahead.[p.57]

1936-1937. Al-Husseini prompted numerous riots against the British as well as Palestinian Jews. This "Arab Revolt" was initiated by a **planned "crisis"**: Al-Husseini secret network had spread a false rumor that four Arabs and been slaughtered by Jews. Though this rumor was fast proven false, the carnage quickly spread. This Nazi-style "systematic extermination" of Jews would also include Arabs suspected of being disloyal or opposed to Al-Husseini. Though the Nazified Arabs accused Jews of conspiring to dispose of all Arabs in Palestine, the truth was the reverse: Al Husseini planned to exterminate all Jews from Arab lands! [p.58-59]

1931-1939. During the thirties, the **Muslim Brotherhood** grew fast. In addition to its initial focus on social welfare and Sharia law, it attracted followers in Egypt and the Middle East because of its anti-Semitic stand. By the end of World War II the Muslim Brotherhood could boast of half a million members. It's founder, Al-Banna helped distribute the Arab version of Hitler's *Mein Kampf* and *The Protocols of the Elders of Zion* thus fueling the rising hostility toward Jews and their Western supporters.. Al-Banna expressed his zeal in these words,

> "To a nation that perfects the industry of death and which knows how to die nobly, God gives proud life in this world and eternal grace in the life to come" [and] "We are not afraid of death, we desire it... Let us die in redemption for Muslims." (John Loftus)

1941-1945. Adolf Eichmann ruled the Department of Jewish Affairs in Nazi Germany. Sharing al-Husseini's hatred, he would oversee the transport of 3 million Jews to concentrations camps both in Germany in Nazi-occupied Europe. He also wrote glowing reports of the Nazi ideals embraced by Arabs: "Nazi flags fly in Palestine and they adorn their houses with Swastikas and portraits of Hitler."[p.61]

1939-1945. [The Nazi killing machine] "Auschwitz, which wasn't purely a 'death camp,' lives on in our memory due in large part to those who lived to tell the tale. Through his access to Eastern European sources, Mr. Snyder also takes the reader to places like Babi Yar, Treblinka and Belzec. These were Nazi mass-murder sites that left virtually no survivors.... The killing began east of the Ribbentrop-Molotov line. Most of the victims were shot over pits. Nearly half of the millions of Jews killed by the Germans died in lands taken from the Soviets. In territory that the Nazis occupied in 1939, the extermination started later. The innovation was the gas chamber in the main 'death factories' at Treblinka, Chelmno, Belzec, Majdanekand Sobibor, which took in Jews only to kill them. By the time the sixth death camp came on line at Birkenau, near Auschwitz, in early 1943, more than three-quarters of the Jews killed in the Holocaust, and most Soviet and Polish Jews, were already dead."[1]. Matthew Kaminski, "How Stalin and then Hitler turned the borderlands of Eastern Europe into killing fields"

1947. "The 'Exodus 1947' was a worn-out U.S.-owned coastal passenger ship launched in 1928. ....**Initially sold as scrap** for slightly more than $8,000, the ship was acquired by the Hagana [an "underground" Jewish military organization -- since Jews had neither a nation nor any rights, there had no legal "organizations"]....

"In July 1947, the [old 'Exodus 1947' left] for Palestine with over **4,500 Jewish men, women, and children**, all displaced persons (DPs) or survivors of the Holocaust. Even before the ship... reached Palestine's territorial waters, **British destroyers surrounded it**....Attempting to make an example of the 'Exodus 1947,'the British transferred the passengers onto three navy transports which returned to Europe....

"When the passengers, including many orphaned children, forced the issue by declaring a hunger strike, the British were forced to return **them to Hamburg in the British-occupied zone of Germany.** Amid worldwide public outrage, the British authorities compelled the passengers to disembark; some were forcibly removed from the ship. The **passengers were then transferred to displaced persons camps in Germany**. Displaced persons in camps all over Europe protested vociferously and staged hunger strikes when they heard the news. Large protests erupted on both sides of the Atlantic. The ensuing public embarrassment for Britain played a significant role in the diplomatic swing of sympathy toward the Jews and the **eventual recognition of a Jewish state in 1948**.

The Nazi-styled Muslim Military in Serbian Bosnia

1941. Hitler's armies invaded the Balkans -- a blend of Serbian Orthodox and Albanian Muslim citizens. There, Hitler stationed a Nazi-Muslim unit. Al-Husseini called the "Arab Liberation force."

Living in a luxurious former Jewish home in Berlin, **Al-Husseini met with SS Reichsfuhrer Heinrich Himmler**, who put Al-Husseini in charge of recruiting Muslim into Nazi armies in the Balkans, Russia, North Africa and the Middle East. About "100,000 European Muslims were recruited to fight for Nazi Germany..." [p.86-87]

Croatia (including Bosnia-Herzegovina) was controlled by Nazi sympathizers led by a coalition of Catholics and Muslims. Its militia wing launched a **genocidal assault on the Christian Orthodox Serbs**, **Russians, Roma** (gypsies) and **Jewish minorities**. "For minorities such as Serbs, Jews and Gypsies, we have three million bullets," wrote Croatian leader Mile Budak.

Croatian Nazis killed about 200,000 Serbs, 40,000 Gypsies and 22,000. [p.88-89]

1943. A Nazi order released all Muslim troops to the leadership of al-Husseini. They were renamed the Bosnian Hanzar brigades and would soon grow to about 22,000 men -- the third largest unit of Hitler's Waffen-SS. In addition to fighting the war, they led the ethnic cleansing and deportation of Jews to Croatia's Kruscica Concentration Camp, a transfer station en route to Auschwitz.

1944. By summer, the Hanzars controlled eastern and northern Bosnia, where they continued to slaughter Serbs and demolish villages. As Chuck Morse stated in his book,

> "**Perhaps some of the tough Serbian response to a Muslim-controlled Bosnia in the 1990s was a result of the crimes committed against the Serbian minority of Bosnia in those years**.... Serbia, even while under brutal Nazi occupation, protected its minorities, including the Jews."[p.90]

Intriguing insights into the roots of the well-planned Yugoslavian holocaust of the 1990s.

From Part 10 of "**The Power Elite [PE] and the Secret Nazi Plan**" by Dennis L. Cuddy, Ph.D

"...the **Bosnian Peace Accords** were signed November 1995 with Croatian [post-Communist, anti-Semitic, anti-Serb] leader Franjo Tudjman saying he believed the agreements would 'result in lasting peace and create conditions necessary for the **establishment of a new international order** in this part of the world.'...

"But Yugoslav leader **Milosovic** [head of the Serbian Communist party] was still a problem, so the PE [Globalist Power Elites] had to devise a means to remove him. The **Arab Nazis of the Muslim Brotherhood**'s Al Qaeda (Osama bin Laden) **allied with Albanian Muslims to support the Muslim Kosovo Liberation Army (KLA)**. According to former Canadian Ambassador to Yugoslavia James Bissett...

> "We now know that NATO countries were **inciting violence in Kosovo** and attempting to **destabilize** that Serbian province.... Media reports have revealed that as early as 1998, the **Central Intelligence Agency**, assisted by the British Special Armed Services, were arming and training Kosovo Liberation Army members in Albania to **foment armed rebellion in Kosovo.**

"The KLA terrorists were sent back into Kosovo to assassinate Serbian mayors, ambush Serbian policemen, and do everything possible to incite murder and chaos.... After bombing Yugoslavia into submission, NATO then stood by and submissively **allowed the KLA** [Muslim Kosovo Liberation Army] **to murder, pillage and burn**....' On June 3, 1999 Milosovic accepted NATO's demands to stop the bombing. This was after he was indicted by the International Criminal Tribunal for Yugoslavia on May 24 for war crimes. On April 21, 2001 he was **arrested** and then extradited to The Hague in June. In February 2002 his trial started, and in January 2003 he **pled not guilty**. While the trial was still going on, he was

found mysteriously dead in his cell in March 2006.

"Milosovic was no longer an obstacle to the PE's plans to connect the EU to the future **Mediterranean Union (MU)** to be established formally January 27, 2010 (see http://europenews.dk/en/node/28957). In anticipation of the MU's formal establishment, on January 21, 2010 the first meeting of the Euro-Mediterranean Regional & Local Assembly (ARLEM) was called by **PE agent Javier Solana,** who had been simply a physics instructor in Virginia, but later made political head of NATO by Rhodes scholars Bill Clinton, Strobe Talbot and Richard Gardner."

1939-1945. History Behind The Scenes: "**Roosevelt** told Stalin and Churchill that he was going on to **meet with the Saudi king** after the Big Three disbanded at their Crimea confab. ... Stalin asked FDR if he would make any concessions to the king. 'The president replied that there was only one concession he thought he might offer, and that was to **give him the 6 million Jews in the United States**,' the notes read."

While Christians in the West had sought to protected and save human life, Nazi leaders and their elite partners would soon wage war against such impractical ideals. In "Population Control, Nazis, and the UN," Anton Chaitkin gives us a glimpse of this transformation:

> "The Rockefeller Foundation is the prime sponsor of public relations for the United Nations' drastic depopulation program.... Oil monopolist John D. Rockefeller created the family-run Rockefeller Foundation in 1909. By 1929 he had placed $300 million worth of the family's controlling interest in the Standard Oil Company of New Jersey (now called ``Exxon'') to the account of the Foundation.
>
> "The Foundation's money created the medical specialty known as **Psychiatric Genetics**. For the new experimental field, the Foundation reorganized medical teaching in Germany, creating and thenceforth continuously directing the 'Kaiser Wilhelm Institute for Psychiatry' and the '**Kaiser Wilhelm Institute for Anthropology, Eugenics and Human Heredity**.' The Rockefellers' **chief executive of these institutions was the fascist Swiss psychiatrist Ernst Rudin**....
>
> "In 1932, the British-led 'Eugenics' movement designated the Rockefellers' Dr. Rudin as the president of the worldwide Eugenics Federation. The movement called for the **killing or sterilization of people whose heredity made them a public burden**....A few months later, Hitler took over Germany and the Rockefeller-Rudin apparatus became a section of the Nazi state. The regime appointed **Rudin head of the Racial Hygiene Society**. Rudin and his staff, as part of the **Task Force of Heredity Experts** chaired by SS chief Heinrich Himmler, drew up the sterilization law....
>
> "Under the Nazis, the German chemical company **I.G. Farben and Rockefeller**'s Standard Oil of New Jersey were effectively a single firm... Following the German invasion of Poland in 1939, Standard Oil pledged to keep the merger with I.G. Farben going even if the U.S. entered the war.... In 1940-41, I.G. Farben built a gigantic factory at Auschwitz in Poland, to **utilize the Standard Oil/I.G. Farben patents with concentration camp slave labor** to make gasoline from coal. The SS was assigned to guard the Jewish and other inmates and **select for killing those who were unfit for I.G. Farben slave labor**....
>
> "With support from the Rockefellers, the Eugenics Society (England) set up a sub-committee called the International Planned Parenthood Federation, which for 12 years had no other address than the Eugenics Society. This, then, is the private, international apparatus which has set the world up for a global holocaust, under the UN flag." See The Dark Roots of EUGENICS

1953. Arabs and Nazism: "After the war, Gamal Abdul **Nasser**, another member of Young Egypt, was **among the group of officers who led the July 1952 revolution in Egypt**. The first step of the new

regime after it had seized power--shades of Hitler--was to **outlaw all the other political parties** in Egypt. Sadat continued to express open **admiration for Hitler** in a letter he sent to the Egyptian daily Al Mussawar on September 18, 1953. This open bow to Hitler--despite the revelations of Nazi atrocities in the Nuremberg trials--is evidence of the depth of Sadat's identification with Nazism."

Islamic war on Jews continues today

Arabs and Nazism: "**Nazi ceremonials** continue to be used in **today's Egypt.** The President's ceremonial troops wear Wehrmacht helmets and receive heads of government at Cairo airport with a military parade which contains the famous goosestep. One of the most surrealistic sights during the negotiations surrounding the peace treaty with Egypt was the figure of [Israel's Prime Minister in the 1970s, Menachem] Begin, survivor of the Holocaust, walking past the honor guard like someone in a trance.

"Nostalgic admiration of Nazis has remained strong in Syria. Sami al-Joundi, a founder of the Syrian Ba'ath movement, writes: 'We were racists. We admired the Nazis. We were immersed in reading Nazi literature and books that were the source of the Nazi spirit...We were the first who thought of a translation of *Mein Kampf*....."

"**Hitler's definition of Zionism** in *Mein Kampf* is endlessly quoted. 'They [Zionists] do not have any intention to establish a Jewish state in Palestine in order to settle there. They only fight for one place in which they [can base] a central organization for carrying out their global plot, a city of refuge for criminals and a training center for the scoundrels of the future.' This paragraph, cited in most anti-Zionist writings in the Arab world, bestows the weight of supreme authority.

"Similarly, in answering the argument of 'the Zionists' that the ***Protocols of the Elders of Zion*** are a fabrication, ***Mein Kampf* is quoted as proof of their authenticity**, which settles the matter, given that Hitler's authority has assumed canonical status."

2001. An Egyptian columnist wrote, "Thank you, Hitler, of blessed memory, who on behalf of the Palestinians avenged in advance against the most vile criminals on Earth."[49]

2010. (July 10) Palestinian leader calls for Arab invasion of Israel: "The official Palestinian Authority daily newspaper Al-Hayat Al-Jadida on Tuesday wrote that when Abbas met recently with media figures at the home of the Palestinian ambassador to Jordan, he recounted that during an Arab League Summit in Libya in March he told his fellow leaders that he still preferred war against Israel, but could not do it alone."

(July 22) Abandoning Israel: "Israel, however, must assume that should the same people who have repeatedly **called for their physical annihilation** gain the means to accomplish their oft-stated goal, **they will not hesitate to destroy the Jewish state.** Israel is certainly preparing for the worst. It is moving full speed ahead with its Iron Dome missile defense system, continues to push for international diplomatic action against Iran, strives as always to hold its military to the highest possible standards of behavior and is continually reaching out to Washington."

(July 30) It's springtime for Jew haters: "Stone said that Adolf Hitler had been given a bum rap and that through 'Jewish domination of the media,' the Jews have inflated the importance of the Holocaust and wrecked US foreign policy.... Cole wrote, 'Jerusalem not only was not being built by the likely then **non-existent 'Jewish people'** in **1000 BCE** *[when Solomon built his majestic temple in Jerusalem]*, but Jerusalem probably was not even inhabited at that point in history." See Moses a myth? Archeological and historical evidence of Biblical accuracy

(July 31) Abbas: Palestinian State To Be Judenrein: "**If a Palestinian Authority state is created in Judea and Samaria,**no Israeli citizen will be allowed to set foot inside, PA Chairman Mahmoud Abbas said this week in a meeting with members of the Arab League. The PA chairman also stated that he would block any Jewish soldiers from serving with an international force stationed on PA-controlled land...."**I will never allow a single Israeli to live among us on Palestinian land**,' Abbas declared. ...Abbas has demanded that Israeli completely freeze construction for Jews in areas east of the 1949 armistice line, including north, south, and east Jerusalem..."

(August 7) Europe's "Decoy Jews": "**Jews are no longer safe in major Dutch cities**. ...three Jews with skullcaps, two adolescents and an adult, were harassed within thirty minutes of being out in the streets of Amsterdam. Young Muslims spat at them, mocked them, shouted insults and made Nazi salutes. 'Dirty Jew, go back to your own country,' a group of Moroccan youths shouted at a young indigenous Dutch Jew. 'It is rather ironic,' the young man commented, adding that if one goes out in a burka one encounters less hostility than if one wears a skullcap.....

"In an effort to arrest the culprits who terrorize Jews, the Amsterdam authorities have ordered **police officers to walk the streets disguised as Jews**. The Dutch police already disguise officers as 'decoy prostitutes, decoy gays and decoy grannies' to deter muggings....Once again, the specter of anti-Semitism is haunting Europe."

(August 18) Gunman storms embassy shouting 'I want to kill Jews!': "Employees of the Turkish embassy in Tel Aviv are being held hostage in their compound by a Palestinian threatening to 'kill Jews'..."

Video: Hezbollah's Terrorist Theme Park in Lebanon: "A theme park built on hatred of Israel and on decades of war."

(October 3) Britain is a hotbed of anti-Israeli sentiment: "Since returning to these shores as Israel's ambassador... I have been dismayed to find that, as far as Israel is concerned, these values are under threat. Fairness is all too frequently absent in a debate that has been hijacked by extremists. Israel faces an intensified campaign of delegitimisation, demonisation and double standards.

"Britain has become a hotbed for radical anti-Israeli views and a haven for disingenuous **calls for a 'one-state solution', a euphemistic name for a movement advocating Israel's destruction.** Those who propagate this notion distort Israel's past while categorically denying Israel's right to exist....

"At the end of last month, members of the University and College Union (UCU) passed a motion that in effect called for a boycott of the Israeli academia. The concept of an academic boycott is a ludicrous oxymoron, undermining the democratic principles of free speech and free debate....The pattern is exacerbated when coverage of the Israeli-Palestinian conflict is routinely tainted with **bias and a surprising lack of context**....

"The average British citizen is painfully unaware that, since Hamas seized control of Gaza last year, **1,400 rockets and 1,500 mortar bombs have landed on Israeli soil**. No government in the world would tolerate such a sustained attack without taking action."

> *"Let the name of God be blessed forever and ever, for wisdom and power belong to Him. It is He who changes the times and the epochs; He removes kings and establishes kings; He gives wisdom to wise men and knowledge to men of understanding." Daniel 2:20-21*

Today, almost 2000 years of exile and dispersion to every continent, an amazing number of Jews still retain their identity. Though persecution and the struggle for survival has prompted many to hide their origins and blend with prevailing culture, countless others have taken their stand as part of God's original chosen people.

> *"When I have brought them back from the peoples and gathered them out of their enemies' lands, and I am hallowed in them in the sight of many nations, then **they shall know that I am the Lord their God**, who sent them into captivity among the nations, but also **brought them back to their land**, and left none of them captive any longer. And I will not hide My face from them anymore; for I shall have **poured out My Spirit on the house of Israel**," says the Lord God." Ezekiel 39:27-29*
